Dry/Sensitive Skin & Mature Skin

Azulen Cleansing Milk\$35.00

Azulen Milk is recommended as a make-up removing lotion and a gentle soapless cleanser for all skin types and especially for sensitive skin. It contains specially blended oils which dissolve heavy waxes contained in most make-up bases. Azulen helps to prevent the formation of inflammation and skin allergies because of its anti-bacterial properties.

Luxurious Makeup Cleansing Milk.....\$35.00

A rich cleansing lotion that dissolves and sweeps away makeup and impurities. An exclusive blend of BOTANICAL nutrients of seaweed, jasmine, chamomile and pure milk help to soothe and calm the skin. The complexion is moisture balanced while a pure state of beauty leaves skin feeling younger and more supple.

Aloe-Cucumber Astringent\$35.00

Aloe-Cucumber Astringent (alcohol free) helps to tighten pores, smooth the appearance of the skin, and gives it a finer, softer texture. Herbal extracts and soothing Aloe calm possible irritations. It is recommended for dry and sensitive skin.

Gentle Azulen Toner\$35.00

Natural ingredients are combined with Azulen (Chamomile) to form this gentle hydrating toner that is excellent for dry or sensitive skin, as it helps to heal and soothe the epidermis. The toner also helps the skin to retain moisture.

Azulen Day Cream.....\$40.00

Azulen Day Cream is a moisturizing under make-up cream for all skin types. Azulen and other herbal extracts leave a very thin protective layer on the skin which fights bacteria and prevents contact between the skin and the colored mineral salts and earths contained in most make-up bases or surrounding pollutants. It helps to prevent the formation of inflammations, pimples, blackheads and whiteheads, and also promotes quick clearing up of such problems. It smoothes and refines the skin, priming it for make-up. It is recommended for combination, and sensitive skin, as part of a highly effective skin care program.

Collagen Performance Cream.....\$48.00

A very rich but lightweight cream suggested for night time use for skin that shows signs of dryness and aging. Glycolic Acid 6% helps to exfoliate dead cells and soften the appearance of fine lines. Use on a continuing basis for best results to help refine skin and maintain a youthful glow.

Liposome Night Cream.....\$54.00
